

GIANTS TAKE A PITCHING DUEL FROM THE CUBS

New York Comes From Behind and Defeats Chicago, 5 to 4, in Ten Innings on a Sloppy Field.

(By The Associated Press.)
Chicago, May 14.—New York came from behind today and defeated Chicago 5 to 4 in 10 innings. The game was a pitching duel between Alexander and Jess Barnes, the latter weakening before his rival and giving way to a pinch hitter, Causey, who replaced him, was wild, and Douglas then walked two men, forcing in Chicago's tying run in the eighth, New York had taken the lead in their half of the eighth by bunting hits, which included a double by Meusel. Meusel's double and a single by Shinnars sent in the winning run. The first six innings were played in a drizzling rain, and the infield was a sea of mud.

GRAYS BEAT THE OLD TOWN STARS BY WIDE MARGIN

Albuquerque Grays defeated the Old Town Stars yesterday at Barrels field by a score of 11 to 2. Though the score was not close, the game was snappy at all times, the Old Town Stars letting the score pile up mostly on account of wild throwing at inopportune times.

O'Connell, relief pitcher for the Grays, who played in the garden, was the star batsman, clouting out a homer and an easy three-bagger. A fair crowd witnessed the game, which is the third played by the Grays this season. In the three games the Grays have only been scored on five times. The Grays will go to Santa Fe Sunday.

The Swimming Beehive
BY NORMAN E. BROWN.
Star will teach.
Miss Ethelinda Bleibrey, wonder swimmer, will soon step out of the amateur swimming ranks and devote her time to teaching young Miss America how to swim, according to reports from New York. She will become an instructor at a school in Atlantic City.

If she does take this step she will be sadly missed in coming swimming meets of national and international importance.
Miss Bleibrey holds several Olympic, international and national swimming championships. Her work in winning the 100-meter free style swim at Antwerp in the last Olympic meet stamped her as a super-swimmer. She also won the 500-meter event and starred on the American relay team which also won against the stars of other nations.

ANNUAL "Y" SWIMMING CONTEST IS TO BE HELD THIS EVENING

The annual "Y" swimming championship for boys under 18 years of age will be held at the "Y" tank this evening at 8 o'clock. The contest will mark the opening of the swimming season for men and boys and is open to the public, no admission fee being charged. Medals, ribbons and shields will be awarded the winners. The contest will include practically all of the usual swimming tournament events.

UNEXPECTED STRENGTH SHOWN BY SECOND DIVISION CLUBS IN INTERSECTIONAL CLASHES

(BY THE ASSOCIATED PRESS.)
New York, May 14.—Unexpected strength shown by second division clubs, notably Detroit in the American and Cincinnati and Philadelphia in the national proved an outstanding feature of the first week of intersectional clashes and noticeably tightened the major league pennant races.
The New York clubs met stronger opposition from their western rivals, as had been expected, but retained their places at the top. St. Louis, Pittsburgh and Chicago were closely bunched in that order behind the world's champions, while the Yankees and St. Louis continued to make it a two-club affair in the American, the slim margin of a half game separating the rivals as a result of Detroit's second straight victory today over Huggins' crew.

The Giants, off to a flying start in the west, dropped the last two games of the St. Louis series and were blanked by Chicago Saturday, but a victory today over Alexander and the Cubs, while the Cardinals lost to Philadelphia, increased their lead to four games again.
Hard hitting and good pitching put Pittsburgh back in the first division, the Pirates collecting an average of 12 hits per game, while the Phillies displayed the greatest strength they have shown this season by taking four straight from the skidding Cubs. Chicago, with its pitching staff slumping badly, has lost six out of the last seven games. Alexander, backed up as the muddiest of the hurling corps, lost his fourth straight game today.

Cincinnati, behind improved pitching and consistent batting, gained in the race; the Boston Braves broke even in the first week of the invasion, while Brooklyn, unable to make its hits count, lost six straight games but won today from Cincinnati.
Ty Cobb's Tigers batted harder than any of their American league rivals, taking four straight games from Boston, making it two out of three today from the Yankees.

The Philadelphia Athletics, with an array of home run hitters, proved today they will be troublesome for any contender this season.
Washington was unable to stop the Browns; Tris Speaker's tribe was handicapped by ineffective hurling, while Boston, after a disastrous series with Detroit, came back to take a pair from the White Sox, who lost a hard fought series with the Yankees.

Q. Is it true that the election of a president once depended upon the political complexion of the supreme court? R. O. P.

A. The commission created to settle the famous Tilden-Hayes contest was composed of five senators, five representatives and five justices of the supreme court. When this plan was agreed to, chance favored the democrats, owing to the composition of the supreme court; but while the commission was being organized, Justice Davis, who was expected to be a member and to favor Mr. Tilden, was elected a senator and resigned his seat on the supreme bench. This led to the substitution of Justice Bradley, a strong republican, whose vote decided the question, for the commission to every question divided eight to seven. The electoral vote as decided by the commission was 185 for Hayes to 184 for Tilden.

Q. What is it makes colors in flame? L. A.
A. Flames may be colored, and often very brilliantly, by the presence within them of certain metallic salts, such as sodium, potassium and strontium.

Q. What are rattlesnake weeds? R. B.
A. Several species of hawkweed which grow in the United States have been called "rattlesnake weeds" because of a popular belief that they were of value in curing the poison of snakes.

Q. Who was it who defined history as a lie that had been agreed upon? S. B. I.

A. The saying that history is a fiction agreed upon is attributed to Napoleon.

Q. How many islands are there in the Hawaiian group? S. H. E.

A. The Hawaiians consist of eight inhabited islands—Hawaii, Maui, Kahoolawe, Lanai, Molokai, Oahu, Kauai and Niihau—and several rocky islets.

Q. Are there more Christians in the world than non-Christians? R. G.

A. Only 34.2 per cent of the world's population is classed as Christian. Mohammedans form 13.6 per cent; Hebrews, 6 per cent; Brahmans, 14.7 per cent; Buddhists, 2.8 per cent, and heathens, 8.7 per cent.

Q. What were autos first licensed? W. P.

A. In 1893 Elwood Haynes of Kokomo, Ind., was granted a license to run one of the first makes of the Haynes car. In 1896 there was a license issued in Rochester, N. Y., to Jonathan West, which was the outcome of what is known as the Jonathan West and Swiss Laundry company case. A license was issued because Jonathan West ran into a wagon of the Swiss Laundry company and a legal contest was the result. These are the first licenses of which the National Automobile Chamber of Commerce has record.

Q. What constitutes a municipality? L. L. C.

A. A municipality is an incorporated city, town, village or borough possessing a charter of incorporation conferring privileges of local self-government.
Q. What were "seven thirties"? M. N.
A. During the civil war United States government bonds paying 7.30 per cent interest were issued, and the name "seven thirties" was applied to them.
